As your business expands globally, so does your need for IP intelligence from around the world.

More Than Just a Database

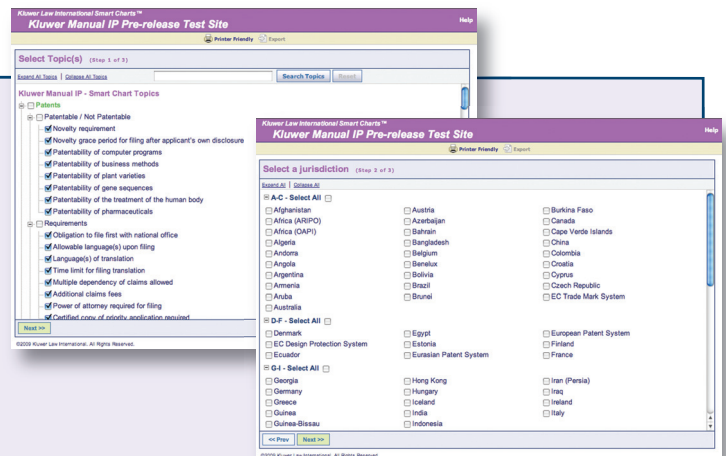

KluwerManualIP.com makes your work easier, providing intellectual property information, including patent, trademark and design details, from more than 200 countries worldwide. For over 80 years, legal professionals across the globe have relied on the information provided in **KluwerManualIP.com**, also known as the Brown Book. Today's legal professionals know that the pace of regulation and information has increased rapidly, as have

their clients' needs and expectations. By offering this same information online, Kluwer Law International gives you fingertip access to the essential information on intellectual property you need to service your clients effectively. Kluwer Law International has gone one step further and provided you with key features to keep you informed of regulatory changes, new procedures, as well as tools to organize and interpret the information.

New!

KluwerManualIP.com Smart Charts™

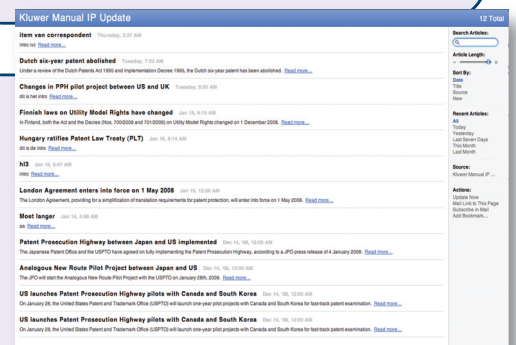

Our new Smart Charts™ workflow tool provides users with a way to quickly and easily compare information from multiple jurisdictions on patents, trademarks, utility models, and industrial design and models. After selecting a topic or topics from a list, you simply select your jurisdictions and the results are displayed in a easy-to-read chart or matrix format. These charts and matrices can be printed, saved, or exported with ease. In addition, you get a link to the full text of the relevant chapter of KluwerManualIP.com for later reference.

New!

KluwerManualIP.com News Alert

Our new News Alert service keeps you informed with the latest Intellectual Property developments, including new laws and changing regulations relevant to KluwerManualIP.com. You can choose to receive your news via RSS feeds, a bi-weekly News Alert newsletter delivered to your inbox, or by visiting the Recent News and Developments section at KluwerManualIP.com. We know your time is valuable, so the content of each news item is concise and focused, free from non-essential details.
